

SINGLE POST FULL RISE LIFT

AMGO's newly designed single post lift is the perfect choice for quickly lifting a vehicle. It can be used in commercial service shops, home garages, or areas where it will take up less space.

Main Features

- ✓ Lifting capacity: 6,000 lbs
- ✓ Max. lifting height: 77 1/8" (1960 mm)
- ✓ Min height: 4 1/2" (115 mm)
- ✓ Self-lubricating UHMW Polyethylene sliders and a self-lubricating bronze bushings.
- ✓ High quality cylinders and power units are manufactured to high standards.
- ✓ Five-year warranty on steel structured components, three-year warranty on hydraulic parts and two-years on electrical components.

The chain protection cover prevents the chain from slipping off.

A manually locking release safety device controls the double locks.

Features screw and insert rubber pads.

Adjustable, portable ramps with free installation.

Arm locking device with easy to release handles.
