

MID-RISE SCISSOR PORTABLE LIFT

The Mid-Rise Lift is an excellent choice for low ceiling or adding a bay for seasonal increases in business. Provides good working height for tires, brakes and body repairs.

MR06

Main Features

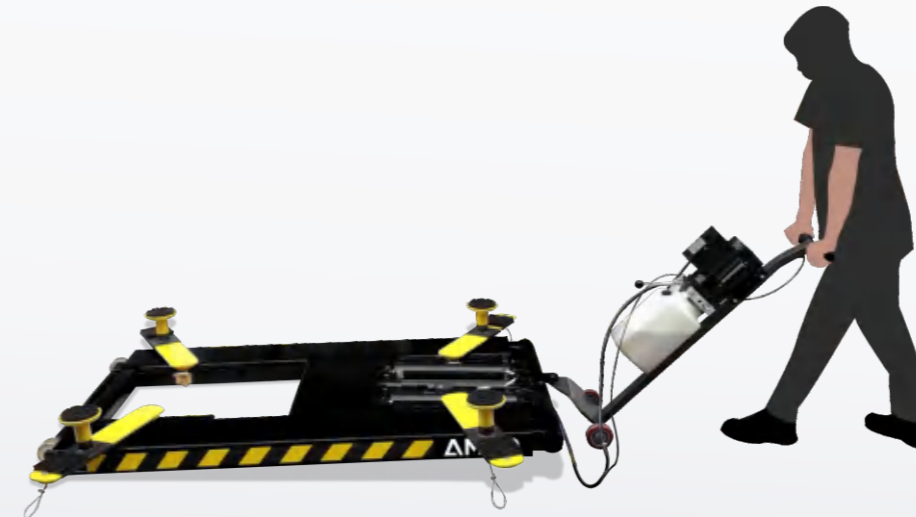

- ✓ Mechanical self-locking design, manual control safety release.
- ✓ Portable design: Easy to move the lift with the power unit stand.
- ✓ Two hydraulic cylinders with flow restrictor.
- ✓ Standard 1.5" and 2.5" extension adapter kits included.

Supporting Arms: Unique limit lock structure, effectively prevents arms to slip off during operation. Two size standard adapters kits for flexibly using.

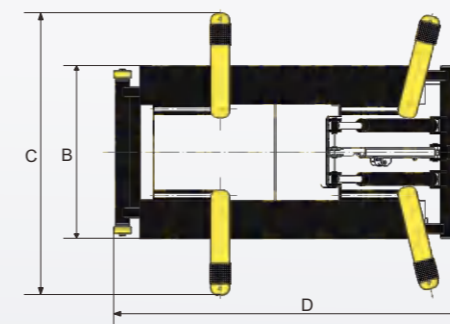

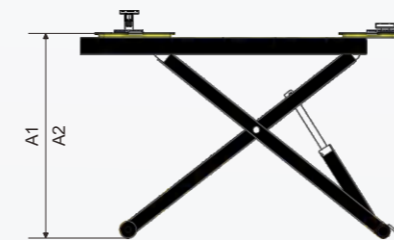

New Safety Lock: High strength safety ladder, mechanical self-locking design, manual control safety release.

Release safety lock freely by handle.
